

# Business of the Year

Written by Danette Bartolotta

For those in the North Port area who are involved with any program, organization or business around, you know that there is someone working hard to bring out the best in our community. Many of these valuable people volunteer their products, expertise and time. Without these leaders, businesses and their employees, this community would not be what is today, or what it can be tomorrow, offering us the opportunity to "Achieve Anything." Our staff is proud and grateful to say we are platinum sponsors and members of the North Port Area Chamber of Commerce. We enjoy being involved with every one of these nominees. Thank you for all you do.

"Achieve Anything" is North Port's newly adopted slogan, and we at Patriot Self Storage are in full agreement with that sentiment! Since our opening 18 months ago, we have done our very best each and every day to achieve our mission of providing excellent service to our customers and exercise our core values while being a valuable contributor to our community. We are truly grateful for the reception that everyone has given us. You have honored us twice in the past year with prestigious awards – "Best of the Best of North Port" and now "Small Business of the Year." We love our city and the people that live and work here. Thank you!
